

## Billionaire Badboy

This isnt your normal, sickeningly-sweet, tries-but-fails-to-be-quirky, boring old love story. This is the truth, my truth Theodore Stonegaurds side of the story. Not the lies and sensationalist bullshit written about me by a conniving and overly-ambitious journalist harpy. Im talking about Ashley Leigh, the girl who writes about my life in the Huntington Herald, the girl who would love nothing more than to see me and my family drawn, quartered, and cast into the fiery depths of hell. Its a shame too, because she happens to be one of the most beautiful girls Ive ever laid eyes on and Im sure shes one a hell of a good layfor once, Id love to put that mouth of hers to good use. But heres the thing, nobody messes with the Stonegard family and comes out unscathed. Lets just say my father doesnt f\*\*k around when it comes to dealing with scandal and defamation. He wants me to get in close to her, charm her, win her over and change her mind about me and my family so that shell stop writing her column. He promises that if I dont take care of her, then he will. Turns out theres a lot more to Ashley Leigh than meets the eye. Shes a witty little minx, she gives me hell right back, and doesnt hesitate to slap me when I most assuredly deserve it. I hate that she isnt swayed by my charm, good looks, infinite wealth and influence. For once in my life shes the only thing I want but cant have. I hate her so much I think Im falling in love with her The problem is, I never told her how I feel. And Ill be dead by the time she reads this. Billionaire Badboy is a standalone Contemporary Romance novel with no cliff hanger. It contains adult themes, harsh language, and graphic sexual content.
