

Sinful Arrangement: Alpha Billionaire Romance (Rescued by the Billionaire Book 3)

Danica's life used to be perfect. Until her father decided to take his own life. Since then, she's been struggling. A lot. Not only emotionally, but also financially. With a mother stuck in the past and refusing to adapt to this new reality, Danica had to grow up fast to support both of them. But a job as a waitress in a diner isn't going to take them very far and she knows it. Xander is the CEO of a real estate empire, but despite his title, his father is still the man in power. After a heated argument with the old man over a new project, Xander drives home when a gorgeous woman collapses on the sidewalk and gets robbed. Like a modern day knight coming along to save a damsel in distress, he rescues her. Within seconds, Danica and Xander will experience something they never felt before, lighting a fire that will consume them passionately. Until she realizes who he really is. NOTE: this is the third book in the series. For a mature audience only.
