

Sinful Desire (Sinful Nights) (Volume 2)

A sinfully sexy new romance novel from Lauren Blakely, author of the New York Times Bestselling Seductive Nights series. Control. It's what Ryan Sloan values most. Control of his business, control of his secrets, control of his days and nights. With the way his life spiraled in the past, he needs to stay in charge of his present. Giving up control. It's what Sophie Winston craves. After a wildly successful career, she's stepped away from the business world and is now focused on her work as her city's most noted philanthropist. When she meets Ryan Sloan, the chemistry is scorching, and utterly undeniable. Their desire for each other runs red hot. He wants everything she's willing to give him in bed, and she wants him to take her to new heights as only he can. Soon, he has to have more. All of her heart, mind and body. The only trouble is, he hasn't been honest about how he met her and the dangerous connection he has to her brother. When the truth is revealed, he'll have to give more of himself than he's bargained for or risk losing the only woman he's ever let into his heart. SINFUL DESIRE is book two in SINFUL NIGHTS, a four-book series. Each full-length, 100,000-word novel features a new couple. This high-heat, high-stakes sexy romance series follows the Sloan family as each sibling falls madly in love against the backdrop of sin, money, greed, passion, mystery and suspense.
