

## The Aurora (Slayers Book 1)

Liza Liza Thorpe has been in love with the Vampire King for years. He rescued her from death at a young age and ever since she has worshiped him. Hearing that he is selecting a new blood slave, she decides this is her chance to have the man she's always wanted. Only her secrets are about to be exposed and once they are she's sure Lucian won't want her anymore. Lucian Stanton has lived for over seven hundred years as the vampire King. He's tired of the prejudice and the pomp that surrounds the court. He wants Liza as his consort, only she's human. He knows that the court would never allow his choice of consort to stand. To make matters worse, now someone wants him dead. With the annual Vampire ball fast approaching, he knows his and Liza's relationship will be exposed. Then his allies may become his enemies. The Aurora, the Queen of the slayers, is the last of her kind. They call her The Aurora, because she is their light. But the darkness is killing slayers and the Aurora has had enough. One of the most powerful slayers of her time, she knows that if she can't defeat the darkness, no one can. The Aurora needs a dress, this year she's attending a ball. The secrets that surround them may just end all of their lives.
