

Sleeping With Her Enemy (49th Floor)

Hell complicate all her plans...Amy Morrison is supposed to be at her wedding. But when her husband-to-be jilts her at the altar, a distraught Amy runs to the only place she feels safe--her office. Besides, everyone who works on her floor is at her wedding...except him. Dax Harris. Playboy, executive, and Amys official office enemy. While he and Amy dont see eye-to-eye on the best of days, Dax cant help but feel badly when he sees Amy mid-meltdown. Next thing he knows, hes gotten her good and drunk, and theyre making out like two teenagers. And since neither of them want anything serious, why shouldnt they be frenemies-with-benefits? Because there is no possible way they could ever fall for each other...***Each book in the 49th Floor series is a standalone, full-length story that can be enjoyed out of order.
