

Slow Heat (Bounty Hunters Series)

Slow Heat Lorie O'Clare As a new trainee at the King family's bounty-hunting agency, Micah Jones is trying to keep his cool. But his latest assignment to bring in a night-club owner suspected of money-laundering heats up fast when he meets the brains of the outfit: an irresistibly beautiful bookkeeper who's resisting arrest. So Micah takes her into custody by taking her into his powerful arms and not letting go. Held for questioning but released by police, Maggie O'Malley is still a person of interest to Micah. And Maggie is interested, too, in his services. With his iron-hard muscles and tough-guy exterior, the Harley-riding bounty hunter is just the man Maggie needs to track down the real crook at the club. A slow-burning attraction ignites a firestorm of insatiable desire until the secrets of Micah's past are exposed. Explosive passion now must prove stronger than a history so terrifying it might haunt them forever.
