

## Slow Twitch (A Brenna Blixen Novel)

Perfect for the fans of Easy by Tammara Webber and The Vincent Boys by Abbi Glines. Its summer in Sussex County and things are heating up for Brenna, Jake and Saxon. Golden couple Brenna and Jake are worlds apart. Brenna's in Ireland on a creative writing course and Jake's in New York, meeting his real family, who are super wealthy and seriously obnoxious. Sex and getting drunk are pretty much all Saxon's life is about, until he runs his allowance dry and is sent to the middle of nowhere to learn some real life lessons. He might just be surprised by what he learns. It's a summer full of romance, breaking up, making up, and looking to the future. But who will end up with who, and will all that unresolved chemistry finally get put to bed? Slow Twitch is the third title in the Brenna Blixen series.
