

## Ladies Circle of Murder (A Lacy Steele Mystery Book 8)

With the birth of her sister's baby looming and the men in her life suddenly called away, Lacy Steele feels out of whack. When her boyfriend asks her to play a contact sport with him and her mother has a shady connection to a dead man, things take a turn for the worse. As her family waits for a baby that refuses to arrive, Lacy stays busy by trying to solve a murder. At least she believes it's a murder, even if the detective in charge of the case does not. With no one on her side and time running out, Lacy might find herself under arrest. Or worse, six feet under the ground.
