

Alarics Perfect Mate (Saber Chronicles Book 1)

When Aubrey Night receives an invitation to a new were-fighting sports arena, her brother sends her along with a few guards to see what the fights are all about. In spite of the glitz and glamour surrounding the event, she doesn't expect to find her true mate among the fighters. Saber-toothed tiger shifter Alaric Carmichael has been having mating dreams for the last year. After sharing his mating dream details with the owner of an underground shifter fighting group, he swore an oath that he and his saber pride would fight for the owner until they've all found their mates. As he fights every night, he begins to think it's a lost cause, until one night when he scents his mate in the crowd. Now, Alaric has a new purpose in life: making his mate deliriously happy. It's a good thing she likes the way he purrs. Contains m/f interaction, a rare shifter, and the human who makes him purr.
