

Assigned Guilt (Deadlines & Diamonds, #5.5)

It'll be fun, she's told. When a guilt trip sends Stephanie McCallister on a Girls Night Out, she learns a whole new meaning of the word fun... and the need to be rescued. Enter Gavin Scott. Spending his night monitoring scanners and dispatching photojournalists, he's rarely surprised when the phone rings. But one early morning phone call sends him racing for the door--with only one thing on his mind.
