

Devlins Dare (Tryst Island) (Volume 5)

A No-Strings Fling Becomes Something For Which He Will Risk All Devlin Fox has always been a player. A horny bee flitting from flower to flower. He has no idea why the sexy minx he meets on the way to Tryst Island affects him the way she does. Arousal for her hits him like a fist to the gut and he can't stop thinking about her.

But Tara Romano doesn't do commitments. For good reason. When she proposes they be friends with benefits, Devlin can't figure out why the idea annoys him so much. It should be the perfect scenario. A gorgeous, alluring woman who only wants him for his body. He wants, needs, more from Tara, so he hits upon a plan to turn their no-strings-fling into something lasting. A series of tantalizing dares Tara cannot resist. PRAISE FOR DEVLIN'S DARE: This series just keeps getting better and better! Read More Romance 5 STARS Hot and unbelievably funny.
