

## SNAKE (a Stepbrother Romance) (Forbidden Desires Book 1)

Cheating, f\*\*king, lying Snake! I thought he was different than all the rest. My stepbrother, Devan, was everything I longed for in a man: loyal, protective, and strong. After being burned so many times by cheating scumbags, you can understand why. Devans the perfect guy; the standard I hold other men up to. If only I could have a carbon copy of him tattoos and all. But then he kissed me. And no matter how much I want him to be mine, I now see him for what he really is. Another snake that cant keep it in his pants. Hes married, for f\*cks sake! Their marriage is in trouble, but thats no excuse, and it just happens to be one of the reasons why Im living with the couple Ive made a deal to be their surrogate. How did my life become so complicated all of a sudden? Because now, after just one amazing kiss, I cant stop thinking about my stepbrother and the baby I promised to give him. Authors note: Book contains a HEA, sexual content, elements of cheating, and harsh language. If any of these dont take your fancy then you may want to skip this book.
