

Lucky Catch (The Lucky OToole Vegas Adventure Series) (Volume 5)

Trouble always comes in threes. At least that's what Lucky OToole, the VP of Customer Relations for Las Vegas primo Strip casino/hotel, the Babylon, has heard for years from her mother. So, tonight, when Teddie, her former lover shows up at her office, she is called to deal with a pig in residence at one of the hotels most exclusive and opulent suites, and Lucky's current lover, Jean-Charles Bouclet stops answering his phone leaving Lucky to handle his five-year-old son, Lucky figures she has tonight's compliment of chaos covered. As usual, she is a tad optimistic. With a cadre of celebrity chefs in Vegas for a televised cook-off, a prized Alba truffle in the Babylons care, and her mother's pregnancy racing toward the inevitable, what could go wrong? When the truffle is stolen from the walk-in in Jean-Charles gourmet burger joint at the Babylon and a young chef apparently killed with a smoking gun is found in Jean-Charles food truck on the back lot, trouble takes a sinister turn. And Jean-Charles still isn't answering his phone. Desperate to put a lid on the body count and more than frantic over her AWOL lover, Lucky uses her Vegas contacts to search in places and in ways the police wouldn't or couldn't. Teddie insists on riding shotgun. Lucky hasn't the time nor the resolve to say no. She's never been able to resist Teddie ... not really. With danger dogging their heels, Lucky finds herself falling once again under his spell as they traverse Vegas, being drawn deeper and deeper into the highly competitive world of high-end eateries and the battle for the very rare, most highly prized gourmet foodstuffs. And when Lucky's path crosses the killers... will her goose be cooked?
