

Sold To The Warlord: A Scifi Alien Abduction Romance (Alien Romance, BBW, Alien Invasion Romance) (Astral Heat Book 2)

BBW Virgin Reporter+ One Wild & Commanding Warlord+ A Game of Fate on a Barbaric Planet+ Naked Lust & Savage Passion= Sizzling Hot & Shamelessly Steamy Space Adventure! Draz Belonging to the Vakrallan Warrior Caste, Draz is a ruthless warrior and a fearless fighter. Armed with brooding good looks and finely sculpted body, it is very easy for the sexy Warlord to seduce females of many differing species, and he had done so at every opportunity. The only problem is that he now finds it mind-numbingly tedious. But, when a single glimpse of an Earth female makes his heart jump into his mouth, the ruthless warrior wants to take her there and then. Raised to lead and conquer, Draz only expects this feeble earthling to submit to his needs, especially when there's no room for emotions, consent and revolt in this barbaric part of the galaxy. While a thrill of pleasure goes through him at the display of defiance, Draz is more than eager to show Zalla how his strength can easily outmatch her defiance. No wonder, the curvy virgin isn't willing to go down without a fight... With the warrior's ego at stake, Zalla's life at the mercy of his own people, and too many forces acting to both separate and unite Draz with this gorgeous earthling, Draz will soon have to understand if Zalla means more to him than just a pleasure slave. Zalla Curvy, rebellious and untouched, Zalla is an enthusiastic reporter who least expected her deep space adventure to end like this. Nobody knows she is even out here. She is alone and with no chance of escaping back to Earth. In fact, the Star Navy never even sends patrol ships this far into the Rogue Zone, in accordance with the terms of the non-aggressive pact between Earth and Vakrall. Though she had travelled this far in search of true love, the daring earthling had never even made love before, either to a human or anything else. Now though, she is going to end up a

sex slave to one of these repulsive creatures on this barbaric planet. It is too cruel a fate to bear. Now, its high time that a curvy virgin discovers what it truly means to be Sold To The Warlord!
