

Some Deeper Aspects Of Masonic Symbolism

Long out of print, Arthur Edward Waite's *Some Deeper Aspects of Masonic Symbolism* is a must read for those Freemasons interested in a better understanding of the Masonic degrees that make up the Craft Lodge of Masonry. Waite covers such topics as, the meaning of initiation, the Third Degree, the Christian Mysteries, Operative Masonry, The Old Charges and a host of other topics. Also included in this small volume is An Appreciation of Arthur Edward Waite by Joseph Fort Newton and an afterward by Stephen Dafoe on the importance of Pythagorean Symbolism in Masonry unique to this volume. Templar Books is pleased to bring this lecture by the late Arthur Edward Waite to the Masonic Fraternity once again.
