

Somebody To Love (Hqn)

After her father loses the family fortune in an insider-trading scheme, single mom Parker Welles is faced with some hard decisions. First order of business: go to Gideons Cove, Maine, to sell the only thing she now owns a decrepit house in need of some serious flipping. When her fathers wingman, James Cahill, asks to go with her, shes not thrilled even if he is fairly gorgeous and knows his way around a toolbox. Having to fend for herself financially for the first time in her life, Parker signs on as a florists assistant and starts to find out who she really is. Maybe James isnt the glib lawyer she always thought he was. And maybe the house isnt the only thing that needs a little TLC.
