

Somebodys Lover: The Jackson Brothers, Book 1

The Jackson Brothers, a heart-wrenching family saga from NY Times and USA Today bestselling author Jasmine Haynes. A family torn apart by tragedy... Three years ago, Lou Jackson, the eldest son, died in a work accident. And nothing has been the same since for the Jackson family. They lost their heart and soul the day Lou died, even as matriarch Evelyn tries to keep them together. But things are changing and the family will either find their way back to each other. Or they'll be torn asunder. Widowed three years and the mother of two, Taylor feels that life as a woman is passing her by. She longs to be somebody's secret lover. To Jace, Taylor is still Lous wife despite being a widow, untouchable yet irresistible. But when he discovers her fantasies, Jace swears he'll be the one to make them reality. Can his family ever accept another man in Taylor's life, let alone the black sheep of the family? Or will their grief and pain destroy any chance Jace has of being more to Taylor than her secret lover? *Somebodys Lover* is a contemporary romance of approximately 34,000 words.
