

Fool For Love (Believe) (Volume 2)

What do you do when everything you thought you knew about yourself turns out to be a lie, forcing you to re-evaluate your life? Do you face them? Or do you run? My name is Suzy. I am the girl who has always believed in fairytales, unicorns, and that wishing upon a shooting star would make all my dreams come true. I have always had faith that I would find my very own Prince Charming. I have always been certain that we all have a soul mate...that we will find our true love someday, and that we must never give up. But not that long ago, I started to wonder... What if my Prince is in fact...a Princess? Why is it so hard to be seen for who I am? Love is love, isn't it? I have started to lose faith in my once so adamant beliefs: where is my one? Where is the person who will be able to restore my faith in the fairy-tale and the happy-ever-afters? Is New York the right place for someone like me? Or will she squish me like a small, insignificant bug beneath her feet? Only time will tell. ***While this is book #2 in The Believe Series, it can be read as a standalone novel. Due to the sexual nature and subjects addressed, it is not appropriate for readers under the age of 18.***
