

Forbidden Hearts: A Campus Kisses Novella

College, the land of keggers, beer pong and men who know how to pleasure a woman. Or so Jessica hopes. Denied the freedom of her peers, she's finally leaving home, transferring to a four-year university and rooming with her best friend. She's about to hit the books and finally officially lose her virginity. She's not even through her first beer before reality descends, snatching away the promise of hot, sophisticated men and replacing it with hours of waiting for her roommate to finish making out with her boyfriend. Things are looking bleak as she stumbles away from her first frat party and into Lyndon. A grad student, Lyndon is exactly the kind of man Jessica was hoping to bump into. After a night of vintage video games and carnal studies, Jessica must decide if Lyndon is a fashionable one-night stand or boyfriend material.
