

## Sin and Swoon (Blood and Bone Series Book 2)

Not even the warning label on the experimental project could have prepared Jane Spears for the nightmare she would walk into when the Ashley Potter case landed in her lap. Deep inside the victims mind, Jane finds clues hinting at the worst crimes she has ever come upon. But the bread crumbs dont lead anywhere, and in the waking light Jane discovers nothing is as she believed. The conspiracy goes deeper than she can reveal, and the crimes are too hideous to leave unsolved. Can she stop it all in time, or will she be sucked intrapped by the deranged mastermind?
