

## HUNTER AWAKENED

Twenty-one year-old Teal Rhines is a one-time child star turned Hollywood darling. Shes loved by the public and media alike for her tenacity and strength. Orphaned and abandoned as a baby, emancipated at sixteen, she is a role model to many. Now, as her new television show is taking off, her future looks bright. But when her new bodyguard, the attractive Elias Bane, shows interest in her, she never dreams that he is a part of the same supernatural world that her mother fled. The mother she never knew. Like many adopted children, Teal Rhines has always wondered about her biological parents. Who they were. Why theyd abandoned her. In all of her imaginings, shes never gotten close to the truth. But when the truth is revealed, loyalties are tested. Love is put on trial. And danger is closer than she realizes. \*This contains all three books in the HUNTER AWAKENED TRILOGY: Marked, Chosen and Hunted
