

Soulblade (Dragon Blood Book 7)

Its been a week since the dragon Morishtomarc fell, and Sardelle is not convinced that Ridge is truly gone. With a companion who thinks hes a god and a soldier who would happily kill her, she heads back to the mountains to look for signs that Ridge survived. What they uncover threatens to destroy their country and all they care about. Meanwhile, the Cofah emperor is furious with Iskandia over the loss of its airships and still has a bounty on Tolemeks head. King Angulus sends Tolemek, Cas, and Kaika on a daring mission that could solve both problems or leave them all dead.
