

Southern Railway Steam Trains Volume 2-Freight

This, the second of Curt Tillotson's Southern Railway steam books, portrays the lines freight trains from the 1930s to the end of steam in 112 pages and as many superb B&W photos with extended captions. Tillotson captures the essence of the Southern's remarkable stable of older, yet well-maintained and superbly-operated, steam locomotives. Volume 1, published in 2004, portrays the Southern's steam passenger trains.
