

SPARK: (Book 1) (Spark Series)

****Complete re-edit December 2015****
When your past controls your future, how do you move forward? Velaney Wills knows about that all too well. Weak, powerless, and fearing the one person who has hurt her the most can she overcome the barriers to move forward? Being saved by a muscled Godsend was never on her agenda, but when firefighter, Eric Reilley comes into her life unexpectedly, everything changes. Velaney has never felt loved or cared for, and her past prevents her from letting anyone in. Eric manages to break down her walls despite the repercussions that come for them afterwards. They have an undeniable spark something she has never felt before, but will it be enough? Can love overcome all obstacles? Can they save each other to protect their love or will her past shatter everything she never knew she needed? ****Spark is for mature audiences only strong language, explicit sexual content, and sexual abuse are apparent.****
