

## The Seals Best Man (MP3-CD) (Special Ops : Homefront #2)

Stationed at the U.S. Naval Academy, Lieutenant Jack Falcone has just learned that he's headed back to the SEALs as an anti-submarine warfare expert. He's got six weeks left in Annapolis—six weeks to convince Maeve that some pasts are worth revisiting. When Maeve said good-bye to Jack eight years ago after a weekend fling, she never expected that he'd return to her life and wind up the best man in the wedding of her friends, Mick and Lacey. But a lot has happened in the years they've been apart—just enough to make a relationship with him impossible. If she can resist temptation for just six more weeks, her secrets will be safe ...Contains mature themes.
