(Book 1 in the Deep Space Mission Corps series)[Menage Amour 34: Futuristic Menage a Quatre Romance, M/M/M/F with various combination of M/M, M/F, M/M/F, M/M/M, monogamous polyamory]Dr. Emilia Hypatia is recently-graduated and looking for adventure. Shes an Alpha-ranked healer, has a degree in psychology, and empath training. Fresh out of a bad relationship with a cheating ex, her five-year assignment to the Deep Space Mission Corps vessel, Tamora Bight, seems ideal. Especially when she meets the three handsome crewmen shell spend her time caring for--in more ways than one. First Officer Caphis Bates is playful and rowdy. Mate Ford Caliban is her intellectual and emotional partner. But its Captain Aaron Lucio who is an enigma; passionate, with a deeply wounded and carefully guarded soul. While sharing their communal bed is a scorchingly sensual experience, Emi soon learns the three men suffer a shared grief, their crew story. She patiently works to unlock their secret past, but space exploration is cold--and cruel. Will time run out for all of them before she can heal their hearts? ** A Siren erotic romanceThe correct reading order for the series is as follows: Love at First BightBightmaresSpider BightOut of Bight, Out of Mind
