

Spring into Summer

With locations in England, Ireland, USA, and Thailand ...These four unique stories span the quiet beginnings of spring to the burning heat of summer. **SPRING** ... Life for Claire Pelletier is changed forever when she meets a professor who teaches her a most important lesson in *A Season for Everything*. Evelyn Sutton goes in search of a man in *Unlocking the Mystery* and discovers the key to her own heart. **SUMMER** ... With an open mind, Ava Connors attends a pagan party but wonders if reality can ever live up to her own fantasies in *Summer Solstice*. In *The Lottery*, Sierra Zhao sacrifices herself to numerous men to help a friend, fully aware of the consequences. **NOTE:** The companion piece, *Fall into Winter*, and each novella also sold separately.
