

Standing Up When Life Falls Down Around You

Compassionate and Practical Advice Helps Readers Move through Hard Times There are things in life that knock us to the ground. The death of a loved one, the loss of a job, the betrayal of a friend, the turmoil of complex family issues. Sometimes it feels as though life is falling down around us. In those world-rocking times, we can hang on to hurts or we can surrender our pain to the One who promises us abundant life. In this practical and encouraging book, trusted author Elizabeth B. Brown shows weary readers not only how to survive life's difficulties but how to move beyond them to a place of strength and confidence. She shows them that they are not alone and are not destined for a life defined by the chaos of crises. Then she shows readers how to understand and accept their situation, surround themselves with people who can guide and encourage them, and grow through the process.
