

Stanton Unconditional (Volume 2)

Book two of the Stanton series in the follow up from the gripping debut novel by T L Swan, Stanton Adore. Unconditional love, does it really exist or is it an urban myth. What does it really mean? Do you love someone because of their flaws? Or in spite of them. And at what point are the conditions more to bear than the love is worth. This is what Im trying to decipher, this is my story, Ill let you be the judge.
