

Bringing Stella Home (Gaia Nova Book 1)

WAR TAKES ALL FROM SOME PEOPLE. OTHERS GIVE ALL TO SAVE THE ONES THEY LOVE. The war has arrived at home. James McCoy, the youngest son of a starfaring merchant family, never thought he would face an invasion. But when an undefeated enemy slays his homeworld and carries off his brother and sister, nothing in the universe will stop him from getting them back. Not all wars are fought on the battlefield. Hard times show the greatness in men, and those who give all are changed forever. This book is rated T! according to the AO3 content rating system.
