

Leaving a Lavender Legacy (Lavender Series Book 2)

In this darker sequel, our loving couple, Lucas and Lily Lavender, are struck by tragedy. Struggling with an overwhelming grief and guilt, one of them flees, abandoning the other to face their pain alone. But the one left behind will fight with all they possess to regain what was lost. And just when they think they may actually recover another wave hits. Love conquers all but has their love withstood too much damage to save them?
