

Steamy Savannah Nights (Dynasties: The Danforths Book 8)

Dynasties: The Danforths. A family of prominence...tested by scandal, sustained by passion! Confronting her biological family had long been Lea Nguyens dream. But now, rather than getting to know her father, she is confined with his sexy and brooding bodyguard, Michael Whittaker. Each night Michaels body gives her the acceptance shes always craved. But each day, she keeps a terrible secret....Someone has been stalking Abraham Danforth and it is Michaels job to find them. Keeping an eye on Danforths illegitimate daughter was supposed to be strictly business, but along the way he crossed the line into strictly pleasure. If Lea is the stalker, hes duty-bound to turn her in. But if hes wrong, hell lose her trust forever....
