

## Love Unfinished

Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. Yet they are destined to meet again to fulfill that love in new incarnations, leading vastly different lives. Emma thought she chose the right path in life, but too late does she realize her mistake when her husband reveals the monster behind the smile. Their happily ever after - is a lie. Trapped in a broken marriage to a powerful, abusive man, Emma knows this is not the life she was meant to live. As her hope for real love withers, she meets James, her love from a lifetime ago. Emma cannot deny the connection pulling them together, but her courage to abandon her marriage wavers, and unknowingly puts her life at risk. Are Emma and James fated to fulfill their love, or will they once again, leave love unfinished?
