

Step Brother

Sometimes we want the things we aren't supposed to have. Moving back to Las Vegas after college was supposed to be my fresh start. I was going to land my perfect new job, make the world a better place, and finally mend my relationship with my father. At least that was the plan before I saw Reed Randolph that night in the casino. I think I've always been in love with Reed Randolph. From elementary school until now, he's always been my fantasy. He's dark, gorgeous, successful, and sexy. A one-night stand of mind-blowing sex that was all it was supposed to be. The only problem? I just found out he's my new stepbrother. My dad ran off to Costa Rica, married Reed's mom, and now Dad's going to run for office again—a move that's sure to bring a herd of reporters to the door. And all I can think about is wanting to sleep with Reed again. Forbidden desire, a bitchy stepmother, and a very strained relationship with my dad—my life is just a little complicated right now. My life is a mess. A beautiful, sexy mess. Part One of a Two-Part Series. Scroll Up and Click BUY NOW to Start Reading Today
