

Stepbrother: Unbreakable (A Billionaire Stepbrother Romance)

~*~ A full length, stand-alone novel with a HEA ending, now includes a bonus full-length novel as well ~*~ Hes arrogantly cocky, hes stinking rich, hes impossibly infuriating. Hes also intoxicating as hell. Jaret Black is the very definition of bad boy. I cant stand him, but I cant deny that hes panty-melting sexy. And the day after he took my virginity, I found out our parents were getting married. Great. Four years later, wed lost touch. After all, I had mentioned that I couldnt stand him, right? Until one day, out of nowhere, Jaret ends up back in my life. And in my bed. Oops. But this time, there are consequences to my crazy romp in the sack. And Im not sure if I can survive them. If we can survive them.
