

The Hidden Power, and Other Papers on Mental Science (Classic Reprint)

Excerpt from The Hidden Power, and Other Papers on Mental Science The material comprised in this volume has been selected from unpublished manuscripts and magazine articles by Judge Troward, and The Hidden Power is, it is believed, the last book which will be published under his name. Only an insignificant portion of his work has been deemed unworthy of permanent preservation. Whenever possible, dates have been affixed to these papers. Those published in 1902 appeared originally in Expression: A Journal of Mind and Thought, in London, and to some of these have been added notes made later by the author. The Publishers wish to acknowledge their indebtedness to Mr. Daniel M. Murphy of New York for his services in the selection and arrangement of the material.
