

Blind Ice (Razors Ice) (Volume 5)

After optometrist Kate Kapowski kicks her controlling husband now ex-husband to the curb, she is anxious for a change. So when sexy Logan Murray strides into her office wearing a smile that could stop traffic, she impulsively decides to proposition him. Her crash course in casual sex is encouraged by her well-meaning sister Julia. But as soon as Kate embraces the idea of carefree relationships, she starts to develop genuine feelings for the smooth-talking hockey player. Now Kate must figure out how to rescue Julia from her own crisis and decide whether Logan can be converted into a one-woman man. All without sacrificing her newly found freedom and hard-earned confidence. In the end, Kate and Julia will find that love really is blind.
