Janson I was a monster with one purpose. Kill. I couldn't let anyone get too close. Especially Kathryn. But one night with her and I was hooked. I couldn't let her go. It was a sin. Her brother, her father, they were the ruling crime lords of Baltimore. And I was their right-hand man. Death. That's what I was facing for touching her. Nothing could keep me from her. Kathryn He was the only one that could save me. I was on the run from my family. Chasing life was the only way I could have my freedom. But Janson took that all away when he kidnapped me and brought me back to Baltimore and now I am going to have his baby. Now I belong to him and I'm carrying his child. He's a cold-blooded killer, and he has me in his sights. ***This is a standalone novel with an HEA ending and your copy of Stolen: A Bad Boy Romance includes a free copy of Wed to the Bad Boy!***
