

Hot Point (Firehawks)

THESE AIRBORNE HEROES BATTLE MORE THAN FLAMEThe elite firefighters of Mount Hood Aviation fly into places even the CIA cant penetrate.FROM WILDFIRE TO GUNFIREMaster mechanic Denise Conroy-with a reputation for being as steel-clad as the aircraft she keeps aloft-shuns useless flyboys who dont know one end of a wrench from the other.Firehawk pilot Vern Taylor-known for unstoppable charm and a complete lack of mechanical skills-proves his talent for out-of-the-box thinking with every flight. Hes a survivor and a natural-born heli-aviation firefighter.When Denise and Vern crash together in the Central American jungle with wildfire on one side and a full-fledged military coup on the other, their newly forged partnership is tested to the max. They have each other, but not even their formidable skills combined can protect Denise and Vern from the conflagration sweeping the jungle...and their hearts.The third in M.L. Buchmans firefighter romantic suspense series featuring a team of daredevil smokejumpers who fight more than fires. The elite fire experts of Mount Hood Aviation fly into places even the CIA cant penetrate.Firehawks Series:Pure Heat (Book 1)Full Blaze (Book 2)Hot Point (Book 3)Praise for Full Blaze A richly detailed and pulse-pounding read...tender romance flawlessly blended with landscapes of blazing fires and heart-stopping life-or-death scenes. ?RT Book Reviews, 4 stars
