

## The Dragon and the DreamWalker (Elemental Series) (Volume 1)

Drake Pendragon saves Brynn from being sacrificed to Dracus, the dragon of Lornoon. He is shocked to see the dragons fire has not harmed her, and realizes she must be the Lady o Fire that the villagers fear and call a witch. Brynn has faerie blood running through her veins, and while fire cannot harm her and gives her power, water weakens her and can destroy her. She is thrilled to have been saved by a heroic knight, until she awakens and realizes he has brought her to her late fathers castle. Her savior turns into her captor. Can two feared people work together to destroy the dragon, or will they be stopped by their haunting pasts as they realize they really fear themselves?
