

Stranger by the Lake

A writer travels to a fabled estate and uncovers a mystery both sensational and deadly in master storyteller Jennifer Wildes novel of unparalleled romantic suspense. Mystery novelist Susan Marlow visited Gordonwood only once, as an impressionable twelve-year-old girl, but she never forgot the stately Victorian mansion. When her aunt Agatha invites her for a second visit, she meets Craig Stanton, a devilishly attractive scholar who is writing a history book about Sir Robert Gordon, the legendary Victorian-era explorer. Lady Agatha has given Stanton exclusive access to her familys papers. But some of those priceless documents are missing. A series of break-ins convince Susan and the local police that someone is desperate to get their hands on the Gordon manuscripts. The disappearance of a local girl, a suspicious death, and a body that washes up along the Thames make Susan realize that she might be the final obstacle in a killers cunningly orchestrated endgame.
