

Instant Confidence: How to Stop Freaking Out and Keep Being Awesome

Would you like to have the confidence to go for anything you want? Would you like to feel strong in difficult situations? Would you like to feel powerful determination to improve your life? Then let Paul McKenna help you! In this groundbreaking book, Paul McKenna, Ph.D., reveals the secrets of mastering your emotions and living with a greater sense of ease and certainty than ever before. You will learn how to push the off switch on fear and desperation and create huge amounts of confidence and motivation in just a few moments. Before you've even finished the book, your whole attitude towards life will begin to change! Whether you want to feel totally confident in business, romance, or any other area of your life, Dr. McKenna will walk you through a series of simple yet powerful techniques to transform your outlook. You'll also receive a guided hypnosis download that uses the latest psychological techniques to fill your mind with positive thoughts and feelings. Each time you listen, you will be reinforcing optimism and programming your mind for success. If you're ready to feel completely comfortable in yourself and achieve what you are truly capable of, this book is for you!
