

Perfect Imperfections: A Rock Star Contemporary Gay Romance

Hollywood royalty Jeremy Jameson has lived a sheltered life with music as his sole focus and only friend. Before embarking on yet another international concert tour, he wanders into a bar in what he considers the middle-of-nowhere and meets a man who wins him over with his friendly smile and easy-going nature. Accountant slash bartender slash adventure-seeker Reg Moore has fun talking and drinking with The Jeremy Jameson and can't say no when the supposedly straight rock star makes him a once in a lifetime offer: keep him company on his tour by playing the part of his boyfriend. Listening to music, traveling the world, and jumping off cliffs is fun. Falling in love is even better. But to stay with Jeremy after the stage lights dim, Reg will need to help him realize there's nothing to pretend about their relationship. Word count: 65,193
