

Locked In (Caught Inside Series Book 2)

Dont let her small size fool you; at five feet, two inches tall, Kacy Greene is a little spitfire who will be the first to put you in your place. After making the mistake of dating, sleeping with and slapping her supervisor, she finds refuge spending her days surfing, where she meets food truck owner and soon-to-be new boss, Miles Parker. A southern boy, Miles moves to Mistcoast, CA with one thing in mind to make his new business boom. What he doesnt count on is meeting a wrecking ball named Kacy who sends his life into a whirl. Blinded by his immediate attraction for her, he hires her on the spot and is soon disappointed to find that their relationship isnt going to go where he hoped it would. Being nothing more than a shoulder to cry on, he hatches a plan to win her heart. Unfortunately, like the ocean waves, love can be very unpredictable. Youve read Rileys and Blakes love story, now learn about Kacy and Miles
