

Bounty Hunters Captive [Captured in Space 1] (Siren Publishing Menage and More)

[Menage and More: Erotic Futuristic Sci-Fi Menage a Trois Romance, M/F/M, capture, spanking, sex toys, HEA] Garin Avon is a rugged bounty-hunter in space, who has a mission to find a contracted sex slave, the beautiful Felissa Delenn, who has run away from her master. He has secret reasons, more than just the credits he will earn--to get vital information. Meanwhile, he has to contend with his double-crossing ex-partner, fun-loving Rayn Dargo. They join forces, but on the journey home they go through various adventures with pirates, aliens, and meteorites, amongst others. Both of the men begin to fall for sassy, smart-talking Felissa. She takes advantage of this using her skills to try to persuade them not to send her back to her vile owner. This sets the two bounty-hunters at each others throats. Will they return her to a life she only undertook for dire reasons, even though, for Garin, it is vital he returns her? And if they keep her, will she run away from them? Note: This book contains forced seduction. ** A Siren Erotic Romance
