

Spirit Catcher (Yellow Creek Novels) (Volume 3)

When Charlotte Jane Matheson hangs the ancient Dream Catcher on the wall over her bed, she has weird dreams. Stirred by her dreams, she travels to the small community of Yellow Creek, Tennessee, determined to find out their meaning. While there, she meets an old Cherokee Indian, a dog that suddenly appears out of the dark woods, and a good-looking farmer-wannabe. Then, her dreams stop, but unexplained visions draw her into the past through a circle of light. The phenomenal images of her mother, who has been missing for over a decade, has to mean something when she's led to a cave beyond the Cherokee burial grounds. Is the old Indian a true Cherokee, or a witch? Can he help her understand her visions and their meanings? How is a missing employee connected to her property in Yellow Creek? And, why is the mysterious, farmer-wannabe always in the right place to help when she's in need? What does he want from her? What does it all mean?
