

## In Too Deep

Carley Morgan is desperate to find her kidnapped sister-and the man responsible. But to do that, she'll have to find someone she can trust who works inside the law. And one who will trust a thief. Because that's what Carley is, a thief whose skills have earned her top dollar. But those skills won't help her convince Detective Hunt Brandon she needs him. Hunt doesn't trust easily, and the sexy redhead who broke into his house wasn't earning any points. Once he discovers who Carley really is he knows he should arrest her. But the more he learns, the more he suspects they're both hunting the same person, and that they can help each other find the truth and put an end to an unspeakable crime ring. Sparks igniting between them, Carley and Hunt soon find the situation even more dangerous when their feelings threaten to risk the investigation. And when danger turns to long, hot nights, they both could end up on the wrong side of a bullet.
