

Mission Delivery (Ex Ops Series)

Bobby Baker is a man with new lease on life. He is engaged to his high school sweetheart, and he is bonding with the fourteen year old son he wasn't aware of a little less than a year ago. But there's more. The love of his life is pregnant with their second child. This time, he'll be there to witness the birth of one of his children instead of missing out on it. Or will he? Belle unexpectedly goes into labor a month early while Bobby is coming off a mission half a world away. Will he be able to make it home in time for the birth of his second child? Or will he miss this delivery, too?
