

Sweet Deception (Truth Book 1)

Three years ago, tragedy struck Cassie Wilsons family and pushed her away from her hometown. Now, one phone call pulls her right back. Cassie had more than her fair share of heartbreak and the last thing on her mind is finding love. But when she meets the charming, arrogant and drop-dead gorgeous Blake Richards, she has to decide whether she can open up her heart to him. Blake has a bad rep with women but that doesnt stop them lining up to spend the night with him. What he wants, he gets. And he wants Cassie. The attraction is obvious, but Cassie soon realises hes holding something back. When his past threatens to destroy his future, will he share his most guarded secret with her? A secret that connects them both, in ways neither could have imagined.
