

## Garrett (Sweet Home Book 1)

You can make plans, but the Lords purpose will prevail. Proverbs 19:21 What happens when youre living the dream and things suddenly change? Micara Lees charming existence starts slipping away as land developers threaten the town she loves. What happens when your dream doesnt align with Gods plan for your life? Garrett Hearth finds out when an injury ends his athletic career. Disenchantment and wavering faith keep him from the life he desires. Micaras beautiful spirit touches Garretts heart... but can she help restore his faith and convince him to live the life God has planned for him? Their happiness and the legacy of Sweet Home, Texas hang in the balance. EXCERPT FROM PUBLISHER, COPYRIGHT 2013 Micara Lee, no matter how beautiful, had stepped into guarded territory. Most people in town already knew what happened. Many had witnessed the darkest day of Garretts life, so he didnt need to talk about it. Ever. But Micara hadnt lived in Sweet Home at that time he would have noticed her. She couldnt know anything about what happened. He lost his faith. He lost his football career. And that wasnt all. His life was packed with so much disappointment and pain that he didnt figure one more person knowing about it would make a difference. I was the starting quarterback in my senior year at Sweet Home High. Scouts were looking at me, and I was very close to signing with a university. I just needed to pick which one. The decision was mine. The whole world was mine, for all I knew. He paused and shook his head as he remembered. My girlfriend was head cheerleader. Jayanne Waylon. We were a textbook couple. That summer, before school started, I asked her to marry me and she said yes. We talked a lot about getting married and what our life together would be like. I would play college ball before going pro. It all sounded too good to be true and now I know why. He waited for

Micara to interject with a question or comment, but she remained silent and let him get it all out. He adjusted the sofa cushion behind his head. In the second quarter, a direct hit from a linebacker sent my body twisting through the air. I came down with my knee underneath me and well, the rest is history. It gave a whole new meaning to the term sacked. I was rushed to the hospital, while my best friend, Brent Berg, finished the game for me. He finished a lot of things for me. Micara finally spoke. What do you mean? He took over my life. Jayanne dumped me and hooked up with Brent. They went off to college together and Brent played football. He went pro and they got married. He got my life, and I got sacked. And that's the end of the story. No, it isn't. Her voice held an unyielding certainty. Excuse me? She moved to the floor, closer to him. This time, her nearness made him uncomfortable. What did she mean, No, it isn't? You're still alive, so that can't be the end of the story.
